

### Worldwide direct ordering information:

These microphones are hand made to order. Please check for availability and delivery times by contacting [martin@nu47.com](mailto:martin@nu47.com). All microphones are supplied with carrying case, mic holder and PSU where applicable. Please state desired mains voltage setting when ordering.

A 50% deposit is required to complete an order. The remaining 50% is due once the microphone is received, tested and approved by the customer. Return policy is 15 days for a full reimbursement of the deposit minus any shipping and handling costs.

Please note that the above does not apply to the Black Pearl model which is usually in stock and shipped within a few days after full payment has been received. This model comes with a mic clip in a wooden box. Ask for a special deal on stereo pairs or multiple microphones in one order.
